**Background**

In 1994, responsibility for making and servicing several association or group type loan programs previously made and serviced by FmHA was transferred with Farm Credit Programs to FSA. These programs include:

- Indian Land Acquisition Loan Program (Fund Code 98)
- Grazing Association Loan Program (Fund Codes 74 and 94)
- Irrigation and Drainage Loan Program (Fund Codes 76 and 96).

The Indian Land Acquisition Loan Program is not subject to the provisions of the Civil Rights Act of 1964. However, Grazing Association and Irrigation and Drainage Loan Programs must be reviewed for compliance with the Civil Rights Act of 1964. In the past, the completion of this review was documented through the use of the Rural Community Facility Tracking System, which is not available to FSA.
